

Keep it down!

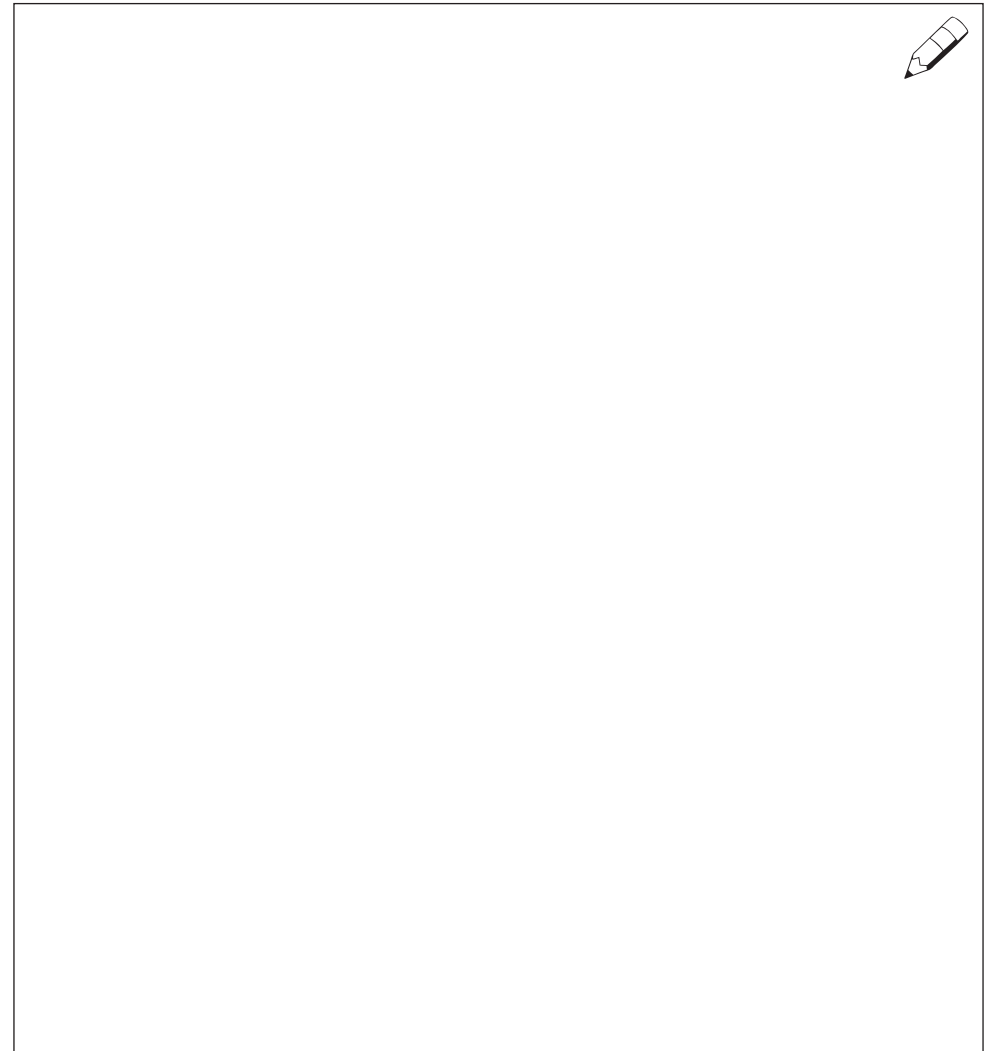

With an artwork of your choice, try to draw it without ever letting your pencil leave the paper.

Guess my scribble

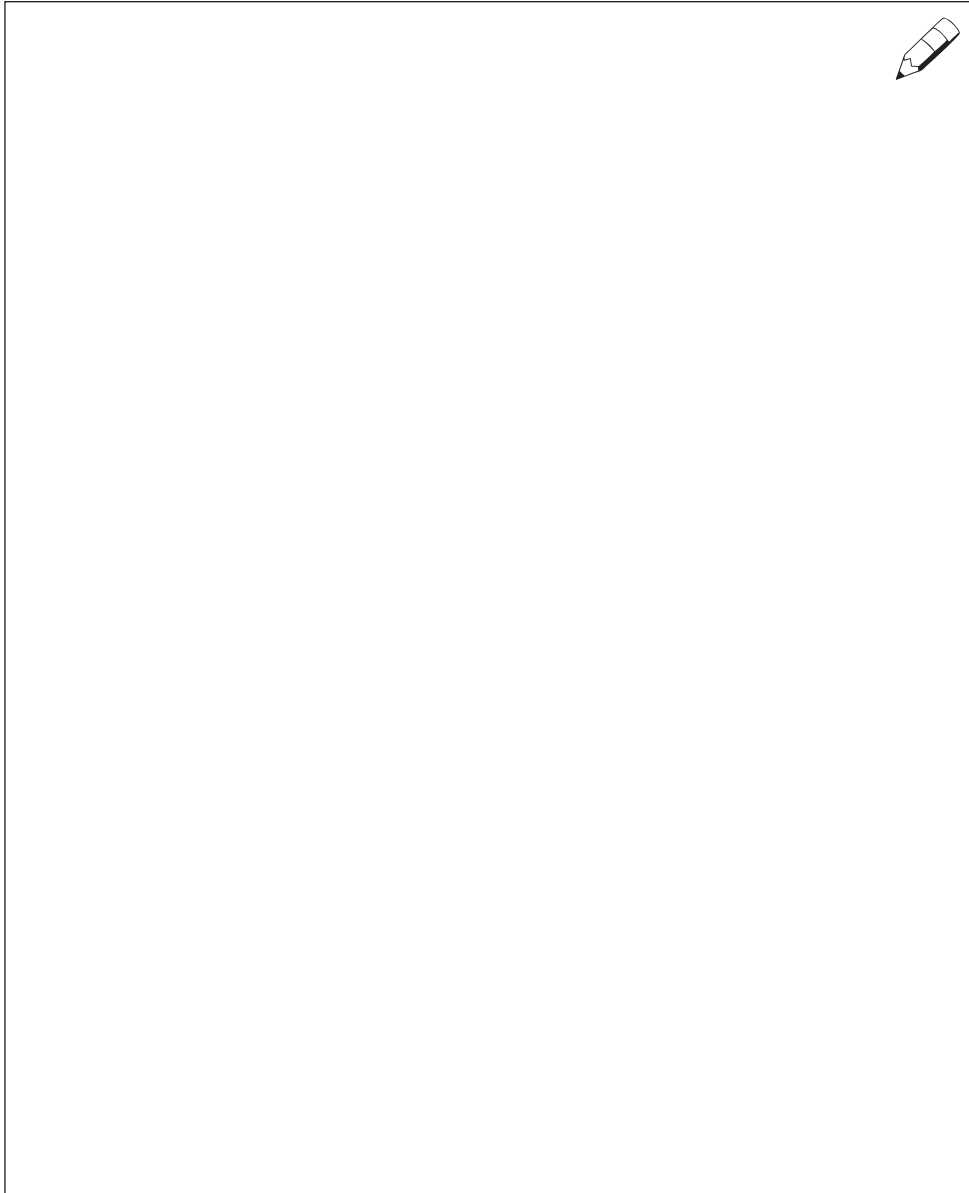

Sometimes artworks can just look like a scribble! Look for an artwork that has lots of crazy lines, shapes or patterns. Get someone with you to DRAW a scribble on this page. Use your imagination and turn this scribble into something else.

Hints...can you see anything in the lines? Do the shapes remind you of something? It could become something real or imaginary!

Mash it up

Find a gallery space that WOWS you and choose three works that you like. Draw different parts from all these three artworks to create a new artwork of your own!

Memory game

HUNT for an artwork that makes you look closely...Look at it for 20 seconds. Turn around and draw it from memory (no peeking!).
